

How it Works

We have built a safe, interactive and fun fundraising site where your child can get involved in the MS Readathon.

We understand that your child's privacy and online safety is paramount for you which is why we ask you to sign your children up.

Once registered, your child will have their own profile and fundraising page (managed by you) on the site and can choose and design an avatar, win virtual awards, enter competitions, get sponsorship, win amazing prizes and, rate and review books.

All their fundraising is done through this website, so the funds come directly to us at MS Ireland.

Your child's profile appears on the site in the form of a cartoon avatar with their name alongside it. Once registered you can choose an alternate or nickname for your child if you'd prefer (just be sure to let potential sponsors know what it is!)

If your child is taking part with their school and you have linked their profile up to the school's fundraising page, anything your child raises will automatically be added to the class and school total.

So Let's Get Signed Up

1. Select the 'Register Now' button

2. Select Child

3. Parents complete their own details first then hit the 'Next Step' button

The screenshot shows the MS Read-thon Ireland registration page. At the top, there is a red header with the logo and a 'Login' link. Below the header are three navigation buttons: 'Account' (highlighted in red), 'Children', and 'Optional Donation'. The main heading is 'OK, LET'S BEGIN!' followed by two tabs: 'New Reader' (active) and 'Returning Reader'. The form is titled 'LET'S START WITH THE PARENT/GUARDIAN DETAILS' and contains the following fields:

- First Name *
- Last Name *
- Email Address *
- Password *

Below these is the 'POSTAL ADDRESS' section with the following fields:

- Address Line 1 * (Street address, P.O. box)
- Address Line 2 (opt) (Apartment, suite, unit, building, floor etc)
- Town/Locality *
- County * (Nothing selected)
- Country (Ireland)

Further down, there is a dropdown menu titled 'WHY ARE YOU READING TO FIGHT MS?' with the option '- choose option -'. At the bottom, there is a checkbox for 'I agree to the [Terms & Conditions](#)' and a red 'NEXT STEP' button.

4. Parents fill out the Child's correct name and details (if doing so - you can add an alternate nickname at a later stage)

5. If your child is taking part with their school type in the school roll number and select the school. If you don't have the roll number start typing part of the name of the school – e.g. if your child attends St. Mary's start typing Mary and a list of schools will populate)

REGISTER YOUR CHILDREN

Each child gets their own account so they can record their books read and own fundraising page.

If you want to join a School, and it doesn't appear in the list below, ask your school to sign up. You can join a school after you register.

12. Parents can then decide to Kickstart their children's fundraising or they can skip this part by clicking 'No Thanks'

13. The child's page is then ready to go and you and your child/children can manage their dashboards.

14. If you would prefer that your child's name isn't displayed publicly on the site you can give them a cool nickname. Go into the MY ACCOUNT cog on their fundraising dashboard and add in the nickname in the Alternate Display Name box.
